PARTY FAQS

Can I bring in decorations?

Yes! Decor such as balloons, tablecloth, napkins, and paper plates are allowed. Please no confetti, glitter, silly string, pinatas or anything hanging or taped to our walls.

When do you need my final headcount?

We need the final menu items and headcount provided to us no later than one week prior to your event date.

Are adults included in the headcount?

You are welcome to have additional guests join your event without being added to the contract; however, there will be no reserved or guaranteed space for any guests who are not on the contract. The additional guests attending will have to locate seating and table space on a first-come, first-serve basis at the time of the event!

What about the birthday guest?

Yes, the birthday guest does need to be included in the headcount that you provide us with.

Can I bring in a cake/cupcakes?

Yes! We do allow you to bring in a cake or cupcakes, but no other outside food or beverage is allowed.

What if I have guests with food allergies or dietary restrictions?

We are an allergy-friendly facility and cannot 100% guarantee cross-contamination with our foods. All our food items are fried in the same oil (canola) and prepped in the same kitchen, so it is likely that there can be some traces of those allergens in the oil. We highly recommend that any clients who have guests with severe food allergies provide their own food for that guest.

Can I book for any number of guests? And what if extra guests show up?

We book our events in quantities of 12. If you have 12, 24, or 36 guests (and so on), they will all be \$30/person for the Play Package or \$40/person for the Go Big Package. Any number of guests between those numbers will be \$35/person for the Play Package or \$45/person for the Go Big Package since they are not included in the 12 person increments. Please contact your Event specialist for any changes to your headcount so we can ensure you have plenty of space.

What if some of my guests don't show?

You will be charged for the full guest count on your contract. You are welcome to invite someone else in their place. Please finalize your headcount with your Event Specialist 7 days prior to your event.

What if I need to cancel my event?

We understand things happen. If you cancel your event more than 7 days in advance, you'll receive a full refund. Events cancelled within 7 days of event will be subject to forfeiting 50% of deposit. If event is rescheduled, the deposit will be applied to the future event date. No-Call/No-Show and/or same-day cancellations will forfeit the non-refundable deposit. No refunds will be given.
